We refer to the first paragraph of the above-mentioned article in The Star on 30 July 2009 where it was reported that CBMB's acquisition of Carlsberg Singapore Pte Ltd ("Carlsberg Singapore") is estimated to boost the Company's profit after tax ("PAT") by some RM37 million or nearly 50% in financial year ending 31 December 2010.

The Company wishes to clarify that the said incremental profit is a proforma estimate based on Carlsberg Singapore's audited profit after taxation for the financial year ended 31 December 2008 of SGD10.03m (approximately RM24.1m) and estimated savings from sourcing and operational synergies as well as deduction on estimated funding costs and interest foregone. The synergies expected to be derived from the proposed acquisition is subject to financial due diligence to be conducted on Carlsberg Singapore and detailed review by the management of CBMB.

This announcement is dated 30 July 2009.
